Internship Programmes and Training

Internship training programme was provided to students of BE CIVIL engineering students by MMRC's ongoing **Metro development project in Mumbai city**. Students received knowledge about practical applications of prestressed concrete, working of Tunnel Boring Machine, etc. Students also received the certificate for the same after submitting the reports,

STUDENTS:

1) Mr. Gala Honey Vinod

2) Mr. Saria Ebrahim Shabbir

3) Mr. Qureshi Sohail

4) Mr. Khan Mohd. Asif

5) Mr. Shaikh Amir

6) Mr. Qureshi Atif

7) Mr. Hankare Smitesh

Department of Computer Engineering

Students Achievements

Six students from S.E. Computer have **won first prize of Rs. 1,00,000/-** at **Smart India Hackathon 2019** at **National Level Hackathon organized by HRD Ministry at IIT Roorkee** under the **Mentorship of Prof. Ahlam S. A. Ansari.**

Department of Computer Engineering

Students Achievements

S.E. Computer Engineering student has secured **first place** at **Atharva Hackathon** held on 15th and 16th March and felicitated with **20,000 cash prize** and certificates.

Department of Computer Engineering

Students Achievements

Five students from **B.E. Computer** are **selected** out of **54 proposals** and awarded the seed money of **Rs. 50,000/-** for their proposal title as **Hazardous Material Detection using Raspberry Pi** in **DRR Innovation challenge in Navi Mumbai Municipal Corporation** in association with **MHA-USAID** (MAHARASHTRA-U.S. Agency for International Development) and **UNDP**(United Nation Development Programme) under the guidance of Prof. **Nafisa Mapari**.

Department of Computer Engineering

Students Achievements

Three students from **T.E. Computer** Unagar Uzma, Shaikh Sara and Sadaf Abdul Kadir have **won** the **runner-up prize** of **Rs 3000/-** in **Technical paper Presentation** held at Vidyalankar Institute of Technology Mumbai, under the guidance of **Prof. Ahlam S. A. Ansari.**

Department of Computer Engineering

Students Achievements

B.E. Computer students Noor Ali Shaikh and Faisal Khan won **1st prize** for "**Utilization of Plastic, and Debris waste for manufacturing paver and solid blocks**" at **Innovative Idea Generation Competition** and have attracted investors for their start-up.

Department of Computer Engineering

Students Achievements

Four students from **B.E. Computer** have participated in **24 hours non-stop hackathon** " **Abhiyantriki-18"** at K.J.S.C.E Vidyavihar and won second prize for a service they have developed for " **Garbage Detection**" under a theme of " **Voice of Mumbai**". There were **155 teams participated all over Mumbai** and students are felicitated with **Rs.10,000 cash prize**

Department of Computer Engineering

Placement Achievement

B.E. Computer Engineering student **Haiderali Nadir Shah** has been recruited in **Uniqlo Co. Ltd Japanese company** as a **Software Developer** for a package of **37.5 lacs p.a**. Only around **20 students from all over India were selected** for the final interview at Delhi.

Department of Computer Engineering

Internship

7 out of 10 T.E.students have been selected for undergoing project training work at **NIC(National Informatic centre, Mumbai)** Maharashtra state centre Mumbai.

Department of Computer Engineering

Department of Electronics Engineering

Student Achievements

Surbhi Parab, Ajay Upadhyay, More Kalpesh and Saif won Super Team Award and 2nd runner up Prize in MASTEK Project Deep Blue Season 4 under guidance of Dr.Irfan Landge. Students are felicitated with Rs.25,000 cash prize

Students Achievements

Team Botix : Shreyas Chauhan and Yogeshree Patil of B.E won Swachh Bharat Summer Internship an initiative by the Prime Minister

Shri Narendra Modi.

Student Achievements

T.E. Electronics secured 1st, 2nd & 3rd position in Online Drishti Competition Organized by Texas. They won TI Launchpad kit with MSP430 MCU

1.Surve Mohammed Hamza

2.Fayaz Ahmad Khan

3. Sayyed Samrah

Student Achievements

Haresh Gaikwad secured Rank 1 in Online Contest Math whiz

Learning
PUNDITS

"A torch shines brighter when its flame is shared!"

Certificate of Merit

This is to certify that

HARESH GAIKWAD

has secured rank 1

among all participants from

M.H Saboo Siddik College Of Engineering

Mumbai

in our Online Contest "Math Whiz" which ended on

14th January, 2018

Congratulations!!

Department of Electronics and Telecom. Engineering

Student Achievements

Humza Shaikh, Saad Patel, Farooq Sameer

Won 1st Prize In India Innovation Growth

Programme-2 and won "Won a Project "

Development Grant of 10Lakhs.

Project prototype: Electronic Arm

Student Achievements

Prashant Sharma FaizShaikh,Afifa Khan .Won

AICTE Best Team award with a cash prize of

Rs.50, 000/ Trophy&Momento are to each team

member in **Smart India Hackathon (SIH)** .

Student Achievements

Shaikh Khalid, Khan Mohammed Anas, Khan Hassan

Qualified 1st Round From Total 15,380 groups

participated from 965 colleges, Texas Instruments

India Innovation challenge Design Contest .

Student Achievements

One team of three students **Qualified 1st Round of BOOTCAMP conducted by IIT madras.**

Department of Information Technology

Student Achievements

ERR_404 2.0 state level 24-hours Hackathon organised by the Dept of Computer Engineering, MHSSCOE.

1. Maruf Shaikh
2. Tazeen Ansari
3. Aliza Shaikh
4. Ihsaan Muhiyadeen

Team of 4 students from BE IT stood first in state level hackathon for developing an excellent app for the problem statement "To develop a system that records the feedback during lectures" and won cash prize of Rs. 150000/- .

Department of Information Technology

Student Achievements

Winner of Essay Competition

Mr. Arish Bhayani, student from second

Year, IT stood First in Essay Competition

organised by OSA and Won Cash Prize

 of Rs. 20000/- and a certificate.

Department of Information Technology

Student Achievements

Internship at NIC.

2 Students from T.E. I.T Ms. Neha Kazi

and Ms. Aimon Qureshi have been selected

 for undergoing project training

NIC(National Informatic centre, Mumbai)

Maharashtra state centre Mumbai.

Department of Information Technology

Student Achievements

Smart India Hackathon 2019

Our team of Six Students from TE IT developed a "GoSecure software" capable of making secure call over insecure internet for Ministry of External Affairs (MEA) and won 2nd Prize at Kanpur.

Department of Information Technology

Student Achievements

Mastek Project Deep Blue

1) Maruf Shaikh

2) Tazeen Ansari

3) Rafat Khan

4) Moiz Khan

from BE IT were among top 9 teams for project competition and two of our team members Mr Aflah Shaikh and Tazeen Ansri got a job opportunity from the Majesco with the CTC of 3.75

Department of Information Technology

Student Achievements

ByteCamp '19 24 hour Hackathon at SIES

1. Mohammed Amir Sayed
2. Riyaz Shaikh
3. Sufiyan Mulla
4. Rushikesh Naik
 won 1st prize in Hackathon and
 got a cash prize of Rs 20,000/- for problem
statement "Public Toilet Health Check" held in
SIES GST, Nerul in collaboration with HackerEarth.

Department of Information Technology

Student Achievements

DRR Innovation Challenge

Ms. Nagma Khan and Ms. Ansari Afreen bano BE IT ranked 5th and got the grant of Rs. 50000/- in Disaster Management from Navi Mumbai Municipal Corporation.

Outhouse Projects

5 teams from BE IT are currently working on the projects for Tata Institute of Fundamental research and 2 teams are developing the project for Octaware Technologies Ltd

Student Achievements

Grant Received from AWS Cloud Solutions

75 students received grant for $ 50 each

and faculty with $ 300 by AWS cloud for

cloud-related learning

Department of Information Technology

Department of Mechanical Engineering

Student Achievements

A-Quest Quiz Competition Organized by ISHRAE

Team MHSSCE participated in a-Quest Quiz competition organized by ISHRAE and won second prize at National level. Also the team members (**Mr. Khan Anas** and **Mr. Juzer Rangwala**) got the job offer from *HITACHI.*

Student Achievement

ISTL (ISHRAE Students Technical League) Competition Organized by ISHRAE

Team Saboo Kelvins participated in ISTL (ISHRAE Students Technical League) and won third prize and best presenter award.

Student Achievement

Hackathon organized by Atharva College of Engineering

Ammar Solakar of SE along with his team members won the First prize in *Hackathon* at Atharva College of Engineering 2019 held on 15th and 16th March 2019. Also they received a cash prize of Rs. 20000.

u

Student Achievement

Paper Presentation competition organized by ISHRAE

T.E. students **Mudassir Habsi**, **Arbaz Khan** and **Abdulla Kazi** secured 2nd position in technical paper presentation competition organized by ISHRAE.
