Report on Blood Donation Drive-2020

Name of the Program: Blood Donation Drive

Venue: Alma Latifi Hall, M.H. Saboo Siddik College of Engineering, Byculla, Mumbai.

Date: 4th March, 2020

Organised by: IETE Student Forum of Department of Electronics & Telecommunication Engineering and SACE in association with Giants Group of Byculla & BYL Nair Hospital Blood Bank, Mumbai.

Chief Guest: Dr. Zahir Kazi, President of Anjuman-I-Islam, Mumbai

Coordinators: Dr. Iqbal Shaikh, SACE Coordinator &

Mr. Abdul Sayeed, HOD [Dept. of EXTC],

Mr. Awij A. R. Shaikh [IETE Coordinator].

Need of the Program:

There is a constant need for regular blood supply because blood can be stored for only a limited time before use. Regular blood donations by a sufficient number of healthy people are needed to ensure that safe blood will be available whenever and wherever it is needed.

Details of the Program:

- The program was conducted on 4th March 2020 from 9:00 AM to 5:00 PM.
- The Drive began at 9:00 a.m. in Alma Latifi Hall with an inaugural function where in, the Hon. President of Anjuman-I-Islam, Dr. Zahir I. Kazi is felicitated by the Director of MHSSCOE, Dr. Mohiuddin Ahmed.
- Hon. President of Anjuman-I-Islam, Dr. Zahir I. Kazi, expressed his gratitude to the M.H. Saboo Siddik College of Engineering for its continuous endeavour in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.
- The blood donors registered themselves at the registration desk. Before registration, there was a small routine check to find out the eligibility of the donor.

- The blood donors were given poha, tea, coffee and biscuits before and after donating the blood in order to reenergize themselves.
- The blood donors were felicitated with a blood donation certificate & a donor card by Nair Hospital and a gift hamper from MHSSCOE & Giants Group Byculla, as a token of appreciation and gratitude.
- The Nair Hospital team and Giants Group of Byculla team, staff and student co-ordinators were provided with lunch.
- Staffs and students from the college as well as people from outside the college also participated in the drive, receiving total **253 blood donations** for this drive.
- The drive was a huge success when donors came forward to donate blood which included teaching & non-teaching staff, students & donors from outside.

Benefits of the Program:

Blood is the most precious gift that anyone can give to another person — the gift of life. A decision to donate your blood can save a life, or even several if your blood is separated into its components — red cells, platelets and plasma — which can be used individually for patients with specific conditions.

Here are some pictures of the seminar:
