

## Campus Chapter Activity Report

Campus Chapter Name: ThinkCode- Programmer's Club

Event Organizer and Chapter Coordinator- Prof. Ahlam Shakeel Ahmed Ansari

Event Convener – Dr. Zainab Pirani

**About ThinkCode Programmer's Club** – It is a Chapter initiated by Prof. Ahlam Ansari in the year 2016 under the mentorship of Dr. Z. A. Usmani.

The Chapter was formed to give a platform and to help programmers make it big in the world of algorithms, computer programming & programming contests and also conducting workshops and seminars on latest technologies and competitive programming. It also contributes to CodeChef community of problem curation.

**About Cloud Management Insider** - CMI exists with the sole purpose of simplifying the complex cloud ecosystem. They serve the new generation of Geeks with information that shapes the cloud ecosystem. They help their audience get informed and engaged with every seismic change around the world of Cloud. The changes that will help determine the future of technology in the next decade.

### **Student Development Program “Bootcamp on Amazon Web Services” : CMI Cloud Tech Bootcamp**

The cloud is one of the fastest growing technologies in the world. It has completely changed the way businesses operate today. As this technology becomes integrated into businesses, the demand for professionals in the domain of cloud technology has risen drastically. Cloud computing jobs range from architects and developers to data scientists, security pros and more.

CMI exists with the sole purpose of simplifying the complex cloud companies and connecting the Cloud Newbies to the Cloud Ninjas. This event was conducted **on 30<sup>th</sup> of April 2020 from 3:00 pm to 6:00 pm IST**

#### **Outcome of the Bootcamp:**

- Be Cloud ready
- CMI participation certificate

- Opportunity to become a “Thought Leader” of the most exclusive cloud community
- CMI Premium content subscription
- Community Membership and Get notified about upcoming premium Webinars
- Invitations to upcoming CMI Meet-ups
