

AI's M. H. Saboo Siddik College of Engineering Alumni Association

Ref No: CE/AL/ 1 /2020

Date: 26th May 2020

Circular

AI's M. H. Saboo Siddik College of Engineering alumni association is planning to conduct a webinar on the topic” **High Impact Presentation Skills**” for students of all branches. The main purpose of this webinar is to prepare our students for their interviews/presentations.

Topics covered:

1. How to make yourself presentable
2. Body Language, tone and word
3. How to structure a presentation

Participants will be able to:

1. Explore how to make yourself presentable with the targeted audience
2. Understand the body language and posture details for presentation
3. Learn presentation structure in detail

Following are the details for conduction of webinar:

Speaker: Mr. Mohammedali Shaikh (BE IT, year 2007), Director-Product Management (GoldenSource)

Date & Time- 30th May 2020 & 11.00am-12pm

Mode of conduct – Google Meet

Total no. of participants: Maximum 100 participants

Program coordinator- Prof. Saiqa Khan

Thanking You.

Prof. Saiqa Khan

(Gen Secretary, Alumni association & Asst. Professor, Computer Engineering dept.)
